DESCRIPTION

An environmentally friendly, 100% biodegradable, citrus floating degreaser that is a fast acting natural way to maintain septic tanks, wet wells, sludge, drying beds, drains, grease traps, sump pumps, and sewage lift stations. Quickly dissolves grease and sludge build-up on liquid surfaces, walls and tank bottoms.

DISSOLVE

Citrus

Floating Degreaser

Scan for product's
Safety Data Sheet

FEATURES

- 100% biodegradable
- 100% d-limonene
- Fast acting
- Natural citrus fragrance

BENEFITS

- Environmentally friendly
- Quickly dissolves grease and sludge build-up
- Saves time and labor
- Leaves area smelling clean

AREAS OF USE:

- Wet wells
- Drying beds
- Sump pumps
- Sewage lift stations
- Tools
- Grill Hoods
- Septic tanks
- Grease traps
- Concrete
- Machinery
- Drains

SPECIFICATIONS:

Color:
White

Odor:
Citrus

pH (Conc.):
N/A

Recommended Dilution:
Ready to use

Solvent Type:
D-Limonene

Solvent Content:
100%

Foam:
None

Rinsability:
N/A

Emulsification:
N/A

Flash Point:
118° F (TCC)

Biodegradability:
Complete

Storage/Stability:
2 years

Weight Per Gallon:
6.993lbs./gal.

Freeze/Thaw Stability:
Will not freeze

DIRECTIONS

FOR GENERAL CLEANING: Liberally spray, sponge or mop this product on the surface to be cleaned. Allow to stand 5 to 10 minutes, and then rinse off with water under pressure.

FOR CLEANING LIFT STATIONS, GREASE TRAPS, LINES, ETC.: Liberally pour product into sump, trap or line at a time when flow is low to allow maximum time for dissolving deposits. Amount of product will vary depending on volume of water, thickness of deposits, and length of time in contact with grease deposits before becoming diluted. Several treatments may be necessary.

As a daily maintenance program, allow product to drip directly into wet wells and pumping stations.

FOR ELIMINATING SCUM CAKE AND LIQUIFY GREASE: Through any opening in tank or well, add 15-20 gallons of product immediately followed by 500-1000 gallons of water. Daily addition of 1-2 gallons in the sludge compartment will allow effective and continuous treatment of both top and bottom of grease cake. Circulation should be continued as usual.

	<p>Keep out of reach of children. In case of fire: Use dry chemical, alcohol-resistant foam for extinction. FIRST AID IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice/attention. IF ON SKIN: Wash with plenty of soap and water. Take off contaminated clothing and wash before reuse. If skin irritation or rash occurs: Get medical advice/attention. IF SWALLOWED: Immediately call a POISON CENTER or doctor/physician. IF INHALED: Call a POISON CENTER or doctor/physician if you feel unwell. STORAGE Store in a well-ventilated place. Keep container tightly closed. Keep away from heat/sparks/open flames/hot surfaces. – No smoking. Store only in original container. Do not reuse empty container. Keep this product under locked storage sufficient to make it inaccessible to children or persons unfamiliar with its proper use. SPILL/LEAK Shut off any ignition sources. Avoid runoff into storm sewers and ditches which lead to waterways. Collect spillage. DISPOSAL Dispose of contents/container in accordance with local, state and federal regulations. INGREDIENTS D-Limonene – (5989-27-5)</p>
<p>WARNING</p> <p>HAZARD STATEMENTS Causes serious eye irritation. Causes skin irritation. May be harmful if swallowed. May cause an allergic skin reaction. Flammable liquid and vapor. Very toxic to aquatic life.</p> <p>PRECAUTIONARY STATEMENTS Wear protective gloves/protective clothing/eye protection/face protection. Keep away from heat/sparks/open flames/hot surfaces. – No smoking. Ground/bond container and receiving equipment. Use only non-sparking tools. Avoid breathing mist/vapors/spray. Do not get in eyes, on skin, or on clothing. Do not eat, drink or smoke when using this product. Wash thoroughly after handling. Keep container tightly closed. Avoid release to the environment.</p>
