## Spray & Wipe Super Duty Degreaser

*desengrasador estupendo del deber*

### DESCRIPTION

Formulated using MicroEmulsion 3G Technology. A readily biodegradable, ready to use super duty "green chemistry" based cleaner-degreaser that dissolves oil and protein based soils better than conventional butyl-based products. Recommended for use on all food processing equipment and food service areas. May also be used on walls, desks, tables and other hard surfaces. Non-flammable, and contains no solvents. Addresses the environmental, safety and health concerns facing today's household.

### DIRECTIONS

#### FOR GENERAL CLEANING:

1. Simply spray onto soiled surface.
2. Wipe off with a clean absorbent cloth, towel, micro fiber or damp sponge.

#### FOR FOOD PROCESSING AREAS and EQUIPMENT:

1. Simply spray onto soiled surface and allow to stand a few moments. Surfaces that come in direct contact with food products require a potable water rinse; otherwise rinsing is not usually necessary.

#### FOR HEAVY DUTY DEGREASING and INDUSTRIAL CLEANING:

1. Simply spray onto soiled surface and allow to stand at least 5 minutes.
2. Scrub or brush thoroughly and rinse with clean water.

A concentrated version of this product is available; please contact your local distributor for ordering information.

### PRODUCT SPECIFICATIONS

<b>Color:</b>	Purple
<b>Odor:</b>	Citrus
<b>pH: (Conc.)</b>	10.5 - 11.5
<b>Recommended Dilution:</b>	RTU
<b>Viscosity:</b>	Water thin
<b>Foam:</b>	Moderate
