

DrainCover #ADC42-R - 42" x 42", 1 each/package

Seal unwanted liquids out of your drain by covering it with a flexible DrainCover.

- **Tough and Reversible:** This tough but easy-to-handle DrainCover is made of solid polyurethane. It's tacky on both sides, so either can be used for forming a tight seal to block contaminants.
- **Reusable DrainCover is Chemical Resistant:** More chemical resistant than rubbers or plastics, DrainCover stands up to a wide range of chemicals, solvents and oils. Reusable; can be washed then stored in the handy, portable box. Note: Due to the nature of softer urethane, the physical properties of these products may change over time with exposure to certain environmental conditions like temperature, humidity, and UV radiation. Typical life expectancy is 5 years. Please inspect the stored product regularly to ensure it is in a usable state. For more details and for chemical compatibility, please call Customer Service at 800.228.3877 or use our live chat feature. These products are for temporary use only. Pick up after each use, clean, then store properly. Do not leave down for extended periods of time or drive over with vehicles.
