### OUR EXPERTISE IN INDUSTRIAL SOILS

From the first industrial products we made until now, we have built on our extensive experience to perfect hand cleaners that are tough on soil. Kutol has developed, tested, and retested targeted formulas that clean away stubborn dirt. In addition to the industrial products featured, Kutol is well-equipped to provide you with any customized formulas and packages you may need.

Manufactured in the USA in a LEED® Silver Certified facility.

# Tough Soaps for Tough Environments

OIL  
GREASE  
PAINT  
INK  
TAR  
ADHESIVES  
AUTO FLUIDS

Industrial soils are tough - but Kutol industrial hand cleaners are tougher. Our hand cleaners are excellent for removing difficult industrial soils that cling to skin. Our gallons and large-capacity systems make hand cleaning efficient and convenient. You'll cut through tough soils quickly and help increase worker productivity with the expert, workplace-proven formulas from Kutol.

**Flat Top Gallons**

The most versatile dispensing system, flat top gallons can be used on both counter and wall. Add a cost effective pump to make counter dispensing easy, or, choose from a variety of wall units to save counter-top space.

**The Science Behind Kutol Industrial Products**

**Solvents** ...reduce the surface tension of water, disperse soils, and make unwanted particles easy to remove.

**Organic solvents** (d'limonene) ...dissolve "like" molecules in organic substances such as grease. Found in peels of citrus fruit, d'limonene is biodegradable.

**Surfactants** ...help water spread out and attach to dirt molecules, enabling dirt lifting and removal.

**Pumice, Perlite and Walnut Shells** ...naturally-derived, biodegradable scrubbers that reach tiny places. Pumice comes from volcanic rock.

**Synthetic scrubbers** ...add cleaning power without harshness and do not clog drains.

**Low VOC's** ...may be gentler to the environment, having lower amounts of Volatile (evaporates easily) Organic Compounds.

**Kutol industrial products have been developed with just the right blend of cleaning ingredients and specially-targeted dirt removers!**

**Large Capacity Capacity Plus - 3.5L and 8L**

- Ideal for any high-volume industrial situation
- 3.5 liter and 8 liter packages
- Same soil-resistant gray dispenser for both sizes
- Clear dispenser covers also available
- 3 industrial-strength formulas - Regal, Sock-It, Super-Scrub
